To protect the safety of our employees in addition to the public, this letter is to inform all Tulare County Growers that effective November 30th, 2020, the Tulare County Agricultural Commissioner's Office will be temporarily closing all satellite District Office locations until further notice. These offices include the following locations listed below:

Lindsay District Office

This temporary closure will largely impact growers that need to renew or make changes to their Restricted Materials Permit or Operator ID. To facilitate this need, our main office location in Tulare (4437 S. Laspina Street STE A) will remain open to the public Monday through Friday 8:00 am to 5:00 pm (excluding Holidays). Growers will still be able to drop off paper use reports, Notice of Intents forms, and other traffic pertaining to our department at the various district offices.

In addition, Rodenticide Bait Sales will be temporarily suspended from the Porterville District Office location as well. However, Rodenticide Bait sales will continue every Monday from 8:00 am to 12:00 pm (excluding Holidays) at our Ag Warehouse located at (14173 Avenue 256, Visalia Ca 93292).
