To: Tulare County Citrus Handlers

Dear Citrus Handler:

The voluntary 48 hour waiting period to ship citrus fruit is now lifted. County inspectors are coordinating well with all citrus handlers to meet their inspection needs. Thank you for working cooperatively with us in this effort to protect the industry and integrity of your labels by keeping freeze-damaged fruit out of wholesale and retail market channels.

We appreciate your help. Do not hesitate to contact me or my staff, if you have questions or concerns regarding inspection uniformity at (559)684-3350.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Kinoshita", is written over the word "Sincerely,".
